# ABOUT QUANTURA CONSULTING (PTY) LTD

**Quantura Consulting (Pty) Ltd** is a trusted firm specialising in Quantity Surveying and Project Management Consulting. Established with a vision to deliver accurate cost management and seamless project execution, Quantura Consulting ensures that every project is completed with precision, efficiency, and accountability.

A large, stylized white quotation mark icon on a dark background.A background image showing the silhouettes of two construction workers wearing hard hats, standing in front of a large, complex steel framework of a building under construction. The sky is visible in the background.

*We safeguard your investment by ensuring every project is delivered on time, within budget, and with uncompromising quality.*

Over the years, Quantura Consulting (Pty) Ltd has contributed to a variety of residential and commercial projects across South Africa. Our focus has always been on accurate cost management, transparent processes, and delivering projects on time and within budget.

The company is led by **Yusuf Shaikh**, a qualified Quantity Surveyor and Project Manager, whose expertise ensures every project is handled with professionalism and integrity.

# ABOUT THE FOUNDER

## MR. YUSUF SHAIKH

*Mr. Yusuf Shaikh is the driving force behind Quantura Consulting (Pty) Ltd, bringing both technical expertise and proven project leadership to every client engagement.*

*He holds a BSc in Construction Studies, a BSc Honours in Quantity Surveying, and an Honours Degree in Quantity Surveying, with his PMP certification in Project Management currently in progress.*

MR. YUSUF SHAIKH

Founder

082 327 4614

Over the years, Yusuf has partnered with leading property developers, including I Squared Developments, and Rudolph and Van Vuuren Cc. In this role, he provided full project management and quantity surveying support, from costings and subcontractor management to ensuring smooth project execution.

The success of such collaborations has positioned Quantura Consulting as a reliable partner capable of delivering accurate, transparent, and professional project solutions across South Africa.

*"I believe every project deserves honesty in cost and precision in delivery. That is the standard I set for Quantura Consulting."*

# OUR SERVICES

*At Quantura Consulting, we provide services that give clients full control and confidence over their projects. Our focus is on accuracy, accountability, and smooth project execution.*

## QUANTITY SURVEYING

We handle all aspects of cost management, from initial estimates and feasibility studies to final accounts. Every cost is tracked and controlled, ensuring that your project stays within budget.

## PROJECT MANAGEMENT

We plan, coordinate, and oversee projects from start to finish. Our role is to ensure that timelines are met, subcontractors are managed effectively, and every detail is aligned with your goals.

## COST CONTROL & FEASIBILITY STUDIES

We provide detailed financial assessments before and during construction. This helps clients understand the viability of their projects and avoid unexpected overruns.

## SUBCONTRACTOR COORDINATION

We oversee subcontractors and suppliers, making sure that their work meets required standards. This guarantees smooth site operations, quality workmanship, and timely completion.

## OUR PROJECT EXPERIENCE

At Quantura Consulting, our portfolio reflects a proven ability to manage diverse developments with accuracy and professionalism.

We have successfully supported projects such as Platinum Square in Lenasia and 'The Boulevard - Linbro Park Commerical Developmement, where our role included cost management, subcontractor coordination, and overall project oversight.

## CONTACT US

Let's talk about your next project. At Quantura Consulting, we are ready to assist with cost management, project oversight, and professional guidance to ensure your development is a success.
