CLASSY VISION
OPTOMETRIST

ABOUT US

"We are Focused on You,
Not Just Your Eyes"

At Classy Vision Optometrist Inc, we believe that clear vision is more than just a medical need – it's a deeply personal experience. Our practice is built on a passion for helping people see the world with **confidence, comfort, and clarity**.

Led by Miss Gugu Susan Hlongwa, a committed and compassionate optometrist, our team offers professional eyecare with a heart. From routine eye exams to advanced screening and optical accessories, we're here to make sure your eyes get the attention they deserve.

We understand how blurry vision can affect your daily life – whether you're behind the wheel, in the classroom, or spending time with loved ones. That's why every patient who walks through our doors is treated with respect, kindness, and expert care. Your vision journey is ours too. Come visit us and experience the difference where class, care, and clarity meet.

"The eyes are the window to the soul."

OUR VISION

To continue providing affordable eye-care using the latest technology equipment, stock our in-house Classy Vision branded frames, expand our reach by opening more branches, and create employment opportunities within our communities.

OUR MISSION

To deliver professional, patient-centred eyecare that protects and improves the vision and eye health of people from all walks of life – with compassion, precision, and excellence.

“Classy Vision Optometrist Inc is a 100% black-owned optical practice committed to making quality eyecare accessible and empowering through every lens we offer.”

Meet Gugu - The Founder

Miss Gugu Susan Hlongwa (B.Optom – UKZN) is the founder and director of Classy Vision Optometrist Inc, a space where clinical excellence meets heartfelt care. A qualified optometrist with a Bachelor of Optometry from the University of KwaZulu Natal, she has dedicated her career to improving the quality of life through professional eyecare.

With years of experience in both public and private healthcare, Miss Hlongwa has built a reputation for her compassionate approach, thorough eye examinations, and commitment to early detection and personalised treatment.

She started Classy Vision to offer a warm, community-based practice where every patient feels seen, valued, and cared for.

“Clear vision changes lives. If I can help just one person a day see better and live fuller, then I know I’ve done meaningful work,” says Gugu

OUR SERVICES

At Classy Vision Optometrist Inc, we offer a full range of professional eyecare services tailored to your needs:

01

Comprehensive Eye Examinations

We assess your overall eye health through comprehensive eye examinations

04

Prescription of Corrective Lenses

We prescribe accurate corrective lenses to improve your vision and quality of life

02

Contact Lens Fitting

We fit and guide you on safe use of contact lenses for daily comfort

05

Screening for Driver's Licence Certificates

We screen your vision for driver's licence certificates, quickly and reliably

03

Minor Eye Infections & Injuries

We treat minor eye infections and injuries, offering immediate relief and care

06

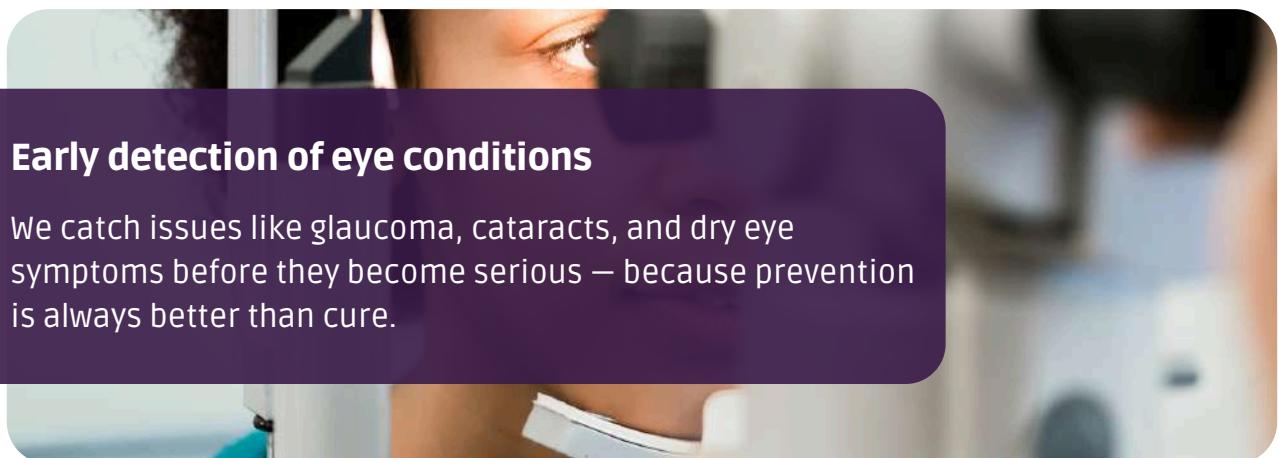

Ophthalmic Referrals

We refer you to trusted ophthalmic specialists when advanced care is needed

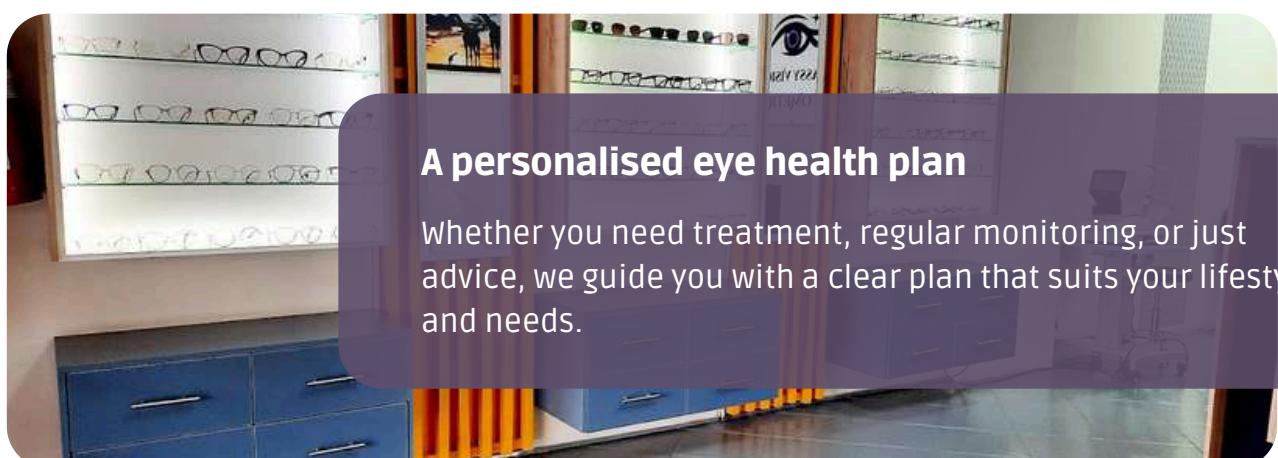

WHAT YOU CAN EXPECT FROM US

At Classy Vision Optometrist Inc, we don't believe in rushing or guessing. Every consultation is backed by care, precision, and honesty. Whether you're coming in for your first eye test or you're a long-time glasses wearer, we're here to make sure your visit is worth it.

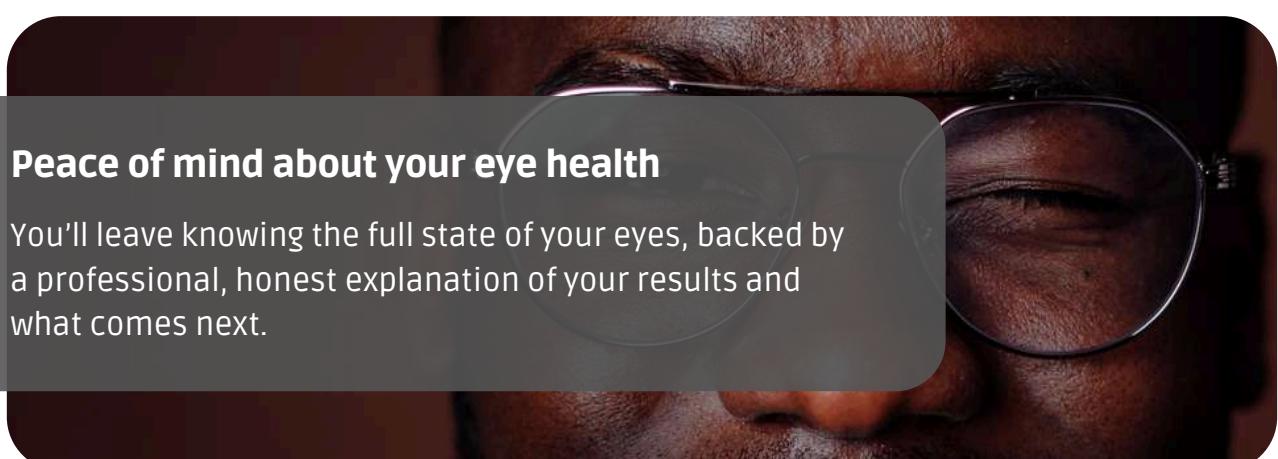

Early detection of eye conditions

We catch issues like glaucoma, cataracts, and dry eye symptoms before they become serious – because prevention is always better than cure.

A personalised eye health plan

Whether you need treatment, regular monitoring, or just advice, we guide you with a clear plan that suits your lifestyle and needs.

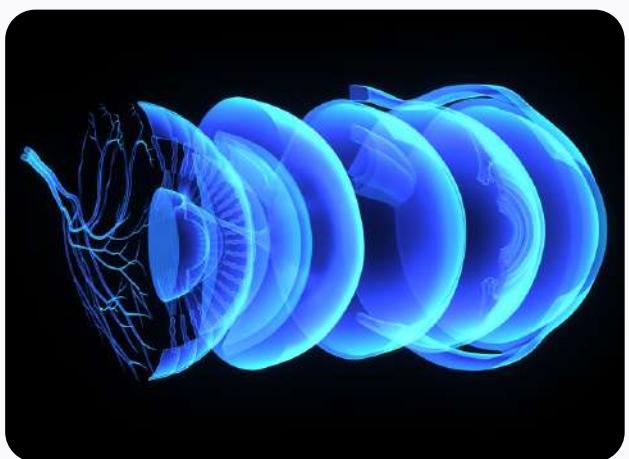

Peace of mind about your eye health

You'll leave knowing the full state of your eyes, backed by a professional, honest explanation of your results and what comes next.

TRUSTED EYECARE FOR EVERY GENERATION

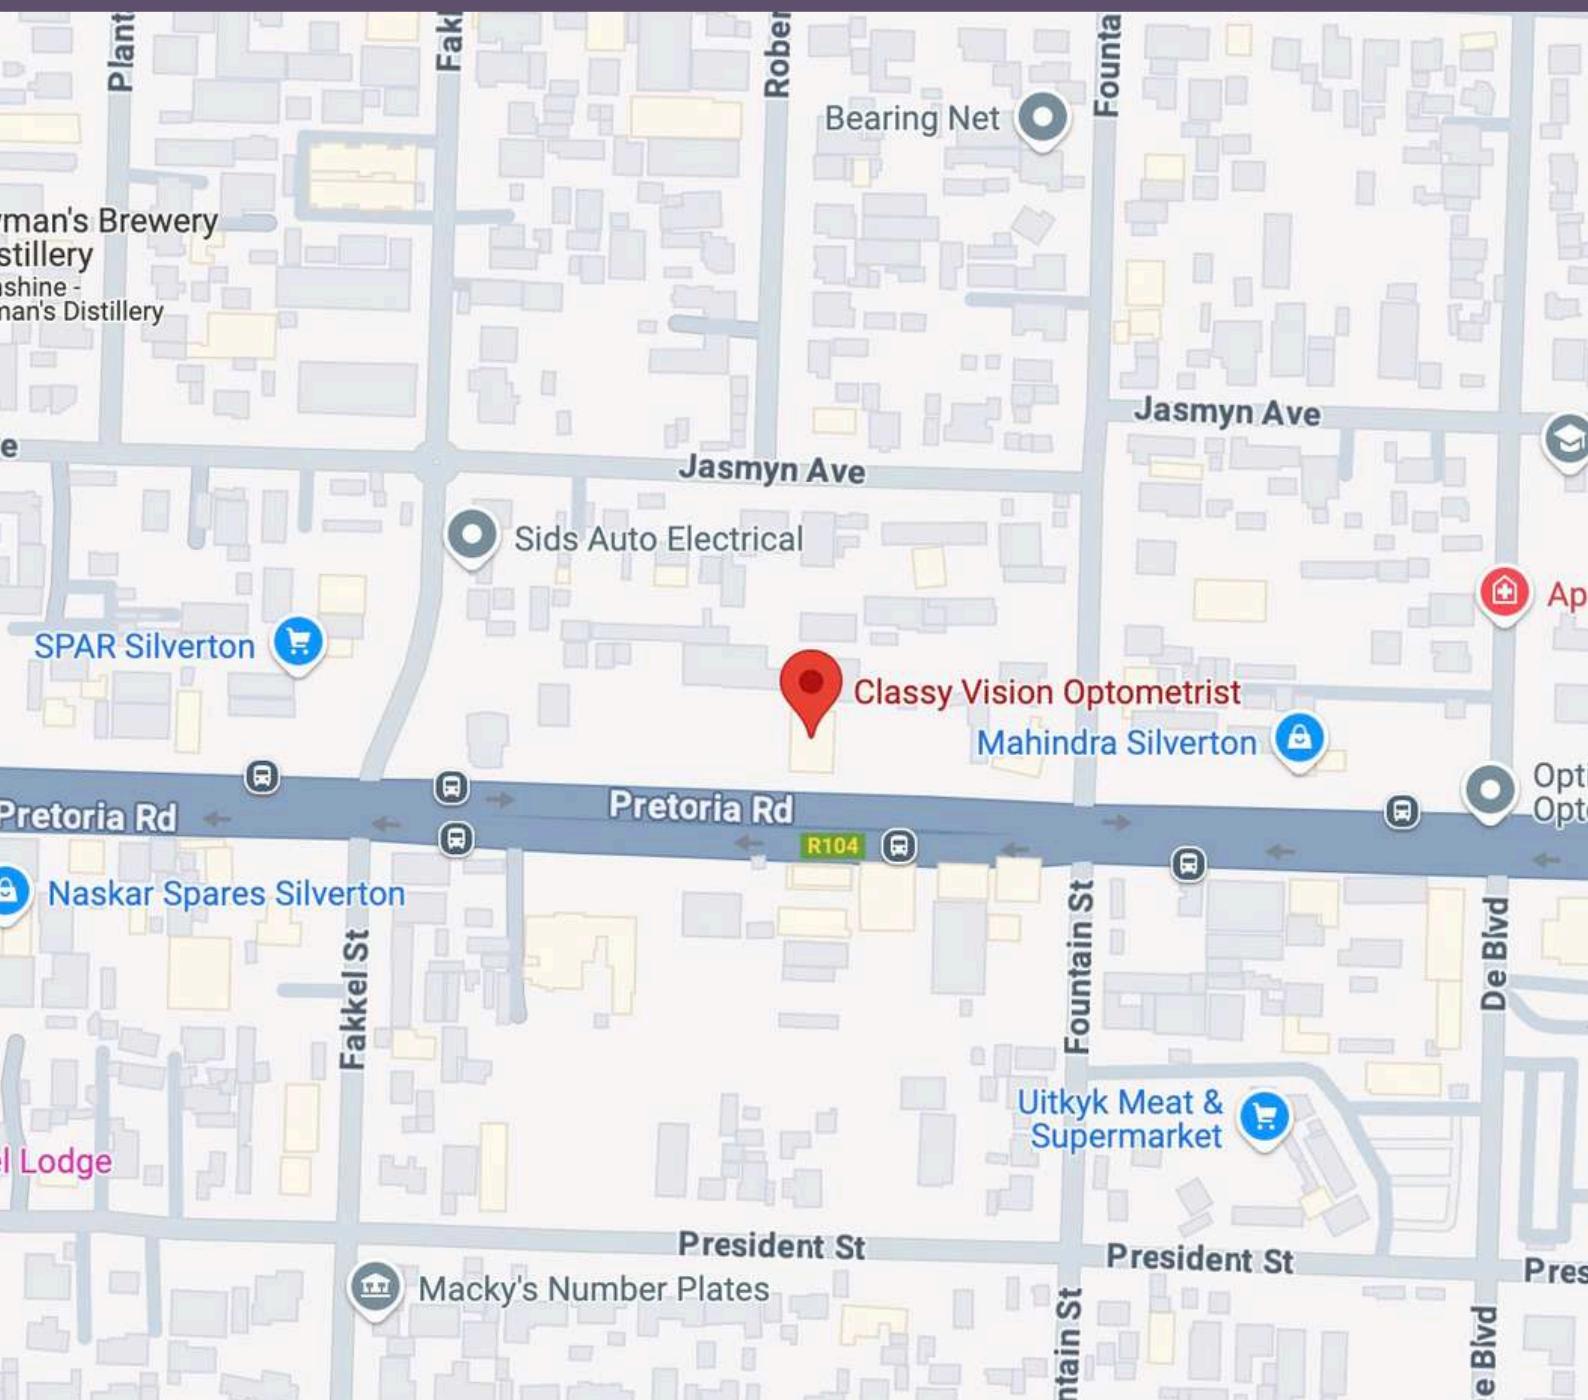

"Clearer Vision. Healthier Eyes. Happier Life."

At Classy Vision Optometrist Inc, we've helped over 100 patients across Pretoria – from schoolchildren to pensioners – all with one goal: healthy eyes and better vision. No matter your age or background, your eye health matters here.

FIND US IN THE HEART OF SILVERTON

Conveniently located at **Shop 8B, Penny Farthing Centre, 528 Pretoria Road, Silverton**, our practice is easily accessible to residents across Pretoria and surrounding areas. Whether you're stopping by after work, on the weekend, or during errands, you'll find **safe parking**, nearby shops, and a welcoming space ready to serve you. At Classy Vision Optometrist Inc, expert eyecare is just around the corner.

THANK YOU
